Manage your health on myCigna

Your health is most important. That's why there's **myCigna** — your online home for assessment tools, medical updates and more.¹

On the **myCigna**® app or **myCigna.com**® you can:

- Find in-network providers.
- View, print or send your ID card information.
- Review coverage, manage and track claims.
- Compare prescription drug prices.²
- Compare provider and hospital cost and quality.
- Get health and wellness tools and resources.
- Sign up for new plan document alerts.
- Track your account balances and deductibles.

Use the click-to-chat feature to connect with a live Cigna HealthcareSM representative.

1. App/online store terms and mobile phone carrier/data charges apply. Please refer to your phone's manufacturer for your phone's specific capabilities. Actual myCigna features may vary depending on your plan and individual security profile. Customers under age 13 (and/or their parent/guardian) will not be able to register at myCigna.com.

2. Prices shown on myCigna are not guaranteed and coverage is subject to your plan terms and conditions. Visit myCigna for more information.

When your plan year begins, register on **myCigna.com**®.¹ Access your digital ID cards, find in-network health care providers, estimate costs and activate all available programs.

Cigna One Guide®

During the enrollment period, you can call the Cigna One Guide team at **800.244.6224** for help with plans and coverage.

Make getting and staying healthy as easy as possible with Cigna One Guide. Our personal guides can help give you health and money-saving tips. This personalized support comes with your medical plan. After enrollment, One Guide offers ongoing support to help you:

Understand your plan

- Know your coverage and how it works.
- Get answers to health care or plan questions.

Get care

- Find an in-network provider, lab or urgent care center.
- Connect with health coaches and more.
- Stay on track with appointments and preventive care.
- Get support for complex health situations.

Save and earn

- Maximize your benefits.
- Get cost estimates and service comparisons to avoid surprises.
- Check account balances and claim activity.

Once you have enrolled, start using the Cigna One Guide support service by going to the **myCigna® app**¹ or **myCigna.com**[®].

1. The downloading and use of the myCigna App is subject to the terms and conditions of the app and the online store from which it is downloaded. Standard mobile phone carrier and data usage charges apply. Customers under age 13 (and/or their parent/guardian) will not be able to register at myCigna.com.

24/7 customer service

Anytime you need us, feel free to call the toll-free number on your ID card.

- You can reach us 24 hours a day, seven days a week.
- You can get answers to your health, claims and benefit questions.
- Ask for a Spanish-speaking service representative or someone who can translate one of 200 languages.

24/7 customer assistance is available for medical and dental plan customers only.

Health Information Line

Once your health coverage begins, you can call the Health Information Line, available 24 hours a day, seven days a week. Speak with a personal nurse advocate¹ via chat or phone. They're here to confidentially answer your health questions. This toll-free number is **866.494.2111**.

- Get information to help you decide where and when you should get treatment for your immediate care needs.
- Call if you need general health information or have a specific health concern.
- Chat is available Monday–Friday, 9:00 a.m.–8:00 p.m. ET, excluding holidays, via **myCigna.com**[®] or the **myCigna® app**.

- Listen to hundreds of podcasts to help you stay informed about your health.

1. These health advocates are trained nurses. They have a current nursing license in at least one state. When working as a health advocate, they are not practicing nursing or giving medical advice.

Virtual care available 24/7/365

MDLIVE[®] offers virtual care by phone or video, whenever it's convenient for you.¹ MDLIVE board-certified doctors, dermatologists, psychiatrists and licensed therapists provide personalized care for many health needs in the privacy of your home, including:

- Preventive care, routine care and specialist referrals.
- On-demand urgent care for minor medical conditions.
- Prescription needs, if appropriate.
- Behavioral care for issues such as anxiety, stress, grief and depression.
- Dermatology care for common skin, hair and nail conditions.

Access MDLIVE by logging in to **myCigna.com**[®] and selecting "Talk to a doctor."

1. Cigna Healthcare provides access to virtual care through national telehealth providers as part of your plan. This service is separate from your health plan's network and may not be available in all areas or under all plans. Referrals are not required. Video may not be available in all areas or with all providers. Refer to plan documents for complete description of virtual care services and costs. In general, to be covered by your plan, services must be medically necessary and used for the diagnosis or treatment of a covered condition. Not all prescription drugs are covered. Not all services are eligible or may be covered under your specific medical plan. The following services are generally not covered: services that aren't medically necessary; experimental, investigational or unproven services; services for an injury or illness that occurs while working for pay or profit, including services covered by Worker's Compensation benefits; treatment of sexual dysfunction. This is a summary only and the terms of your specific medical plan may vary. All group health insurance policies and health benefit plans contain exclusions and limitations. See your plan materials for costs and details of coverage, including other telehealth/telemedicine benefits that may be available under your specific health plan. Virtual primary care through MDLIVE is only available for Cigna Healthcare medical members aged 18 and older. Virtual dermatological visits through MDLIVE are completed via asynchronous messaging. Diagnoses requiring testing cannot be confirmed. Customers will be referred to seek in-person care. Treatment plans will be completed within a maximum of 3 business days, but usually within 24 hours.

Cigna Healthy Babies

Get help throughout your pregnancy with Cigna Healthy Babies. To support you along your journey, you'll get:

- A guide to help you learn about pregnancy and babies, including topics like prenatal care, exercise, stress, depression and more.
- Access to a maternity specialist to help answer your questions on everything from morning sickness to maternity benefits.

You'll also have easy access to a wealth of information on the **myCigna**[®] website from trusted sources like WebMD[®] and Healthwise[®]. You'll learn how to:

- Make a plan for a healthy pregnancy.
- Monitor your pregnancy week by week.
- Prepare for labor and delivery.
- Care for your baby.

Preventive care

Getting and staying healthy is important. That's why most health plans include coverage for eligible preventive care services at no additional cost to you, when you receive them from a provider who participates in your plan's network.

This means no out-of-pocket costs to you. Covered preventive care services can include, but are not limited to:¹

- Blood pressure screenings
- Cholesterol screenings
- Diabetes screenings
- Screenings for colon/rectal cancer
- Clinical breast exams
- Pap tests
- Mammograms

1. Plans may vary and not all preventive care services are covered. For example, immunizations for travel are generally not covered. See your plan materials for a complete list of covered preventive care services.

Cigna Healthcare Veteran Support Line

This free hotline is available 24/7/365 to all veterans, their families and caregivers. No need to be a Cigna HealthcareSM customer. The hotline is ready to connect you with:

- Pain management resources
- Substance use counseling
- Financial support
- Food, clothing, housing
- Legal assistance
- Parenting and child care
- Aging services
- Weekly Mindfulness for Vets phone sessions and more

Call **855.244.6211**.

Cigna Health Matters[®] Care Management

If you're faced with a medical condition, a personal nurse advocate¹ can offer support — at no added cost to you. This support helps coordinate your care and benefits to help you get the right care, at the right time, at the right price. A personal nurse advocate can help you:

- Better understand your condition, treatment options (as identified by your doctor) and medications.
- Understand inpatient and outpatient hospital coverage, in-network benefits, out-of-pocket costs and prescription drug costs.
- Work with your health care providers to manage your overall care plan.
- Coordinate referrals, home care, durable medical equipment, caregiver respite services and more.
- Access resources that go beyond medical treatment, including transportation to appointments, financial assistance programs and other cost-saving opportunities.
- Benefit from one-on-one emotional support.
- Know what to expect and how to prepare if you need to spend time in the hospital or need surgery.
- Get answers to basic questions about your health plan.

1. These health advocates hold current nursing licensure in a minimum of one state, but are not practicing nursing or providing medical advice in any capacity as a health advocate.

Behavioral care

You have access to virtual providers and mental health and substance use providers as part of a large network.¹ Whether you're facing a behavioral health condition, navigating a difficult period, or seeking substance use support, you can find the right provider for your needs, either in person or virtually. To find a virtual provider:

- Go to **myCigna.com**[®] or the **myCigna**[®] app > Find Care & Costs
- Search for "Behavioral Health Counselor" under "Doctor by Type"
- Call to make an appointment with your selected provider

Online visits with our behavioral health network providers cost the same as in-office visits.

1. Cigna Healthcare provides access to virtual care through participating in-network providers. Not all providers have virtual capabilities. Cigna Healthcare also provides access to virtual care through national telehealth providers as part of your plan. This service is separate from your health plan's network and may not be available in all areas.
